

## CEMETERY ANNUAL REPORT – UNLISTED PESTICIDE USE

Cemetery: \_\_\_\_\_ for the year \_\_\_\_\_

Address: \_\_\_\_\_

Date: \_\_\_\_\_ Tel: \_\_\_\_\_ E-mail: \_\_\_\_\_

| Name of Active Ingredient (AI) Contained in Pesticide Used | Total Quantity AI Used (kg) | Reason for Use | Method of Use | How Future Use Would be Minimized |
|--|-----------------------------|----------------|---------------|-----------------------------------|
|  |                             |                |               |                                   |
|  |                             |                |               |                                   |
|  |                             |                |               |                                   |
|  |                             |                |               |                                   |
|  |                             |                |               |                                   |

| IPM Certified Agent name(s) & IPM Certification number(s) that used, supervised use or provided written instructions on the use of unlisted pesticides | Signature | Date |
|--|-----------|------|
|  |           |      |
|  |           |      |
|  |           |      |
|  |           |      |
